Overall Value Rating for this Internship

① Would you work for this supervisor again?
② Would you work for this organization again?
③ Would you recommend this organization to other students?

① Yes, I would welcome the opportunity to work under this supervisor again. Throughout the internship the supervisor provided clear guidance, timely feedback, and the right balance of support and independence, which greatly contributed to my learning experience.

② Yes, I would. I got to work on real system like Maximo and also got a chance to build something on my own with WordPress. It felt like actual work, not just observing.

③ Yes, I would strongly recommend this organization to other students. It offers a well-rounded internship experience that combines technical depth with practical, hands-on responsibility, making it an excellent environment for students to apply and expand their academic knowledge.
